(Issued April 14, 1999)

On April 5, 1999, the Utilities Board (Board) issued an order in Docket Nos. SPU-99-4 and TCU-99-9 which granted the joint application of Lynnnville Community Telephone Company (Community) and Lynnnville Telephone Company (LTC) for transfer of Community's certificate of public convenience and necessity to furnish local land-line telephone service to LTC. The order stated a certificate would be issued to LTC when LTC filed acceptable Lynnnville exchange maps with the Board.

LTC filed acceptable maps with the Board on April 6, 1999. Accordingly, the Board is issuing this certificate.

**IT IS THEREFORE ORDERED:**

This certificate of public convenience and necessity, issued pursuant to IOWA CODE § 476.29(1) (1999), authorizes Lynnnville Telephone Company to furnish land-line local telephone service throughout the Lynnnville exchange as described in its tariff, TF-99-74, effective on the date of issuance of this certificate.
